AMERICAN CHIROPRACTIC & INJURY CENTER

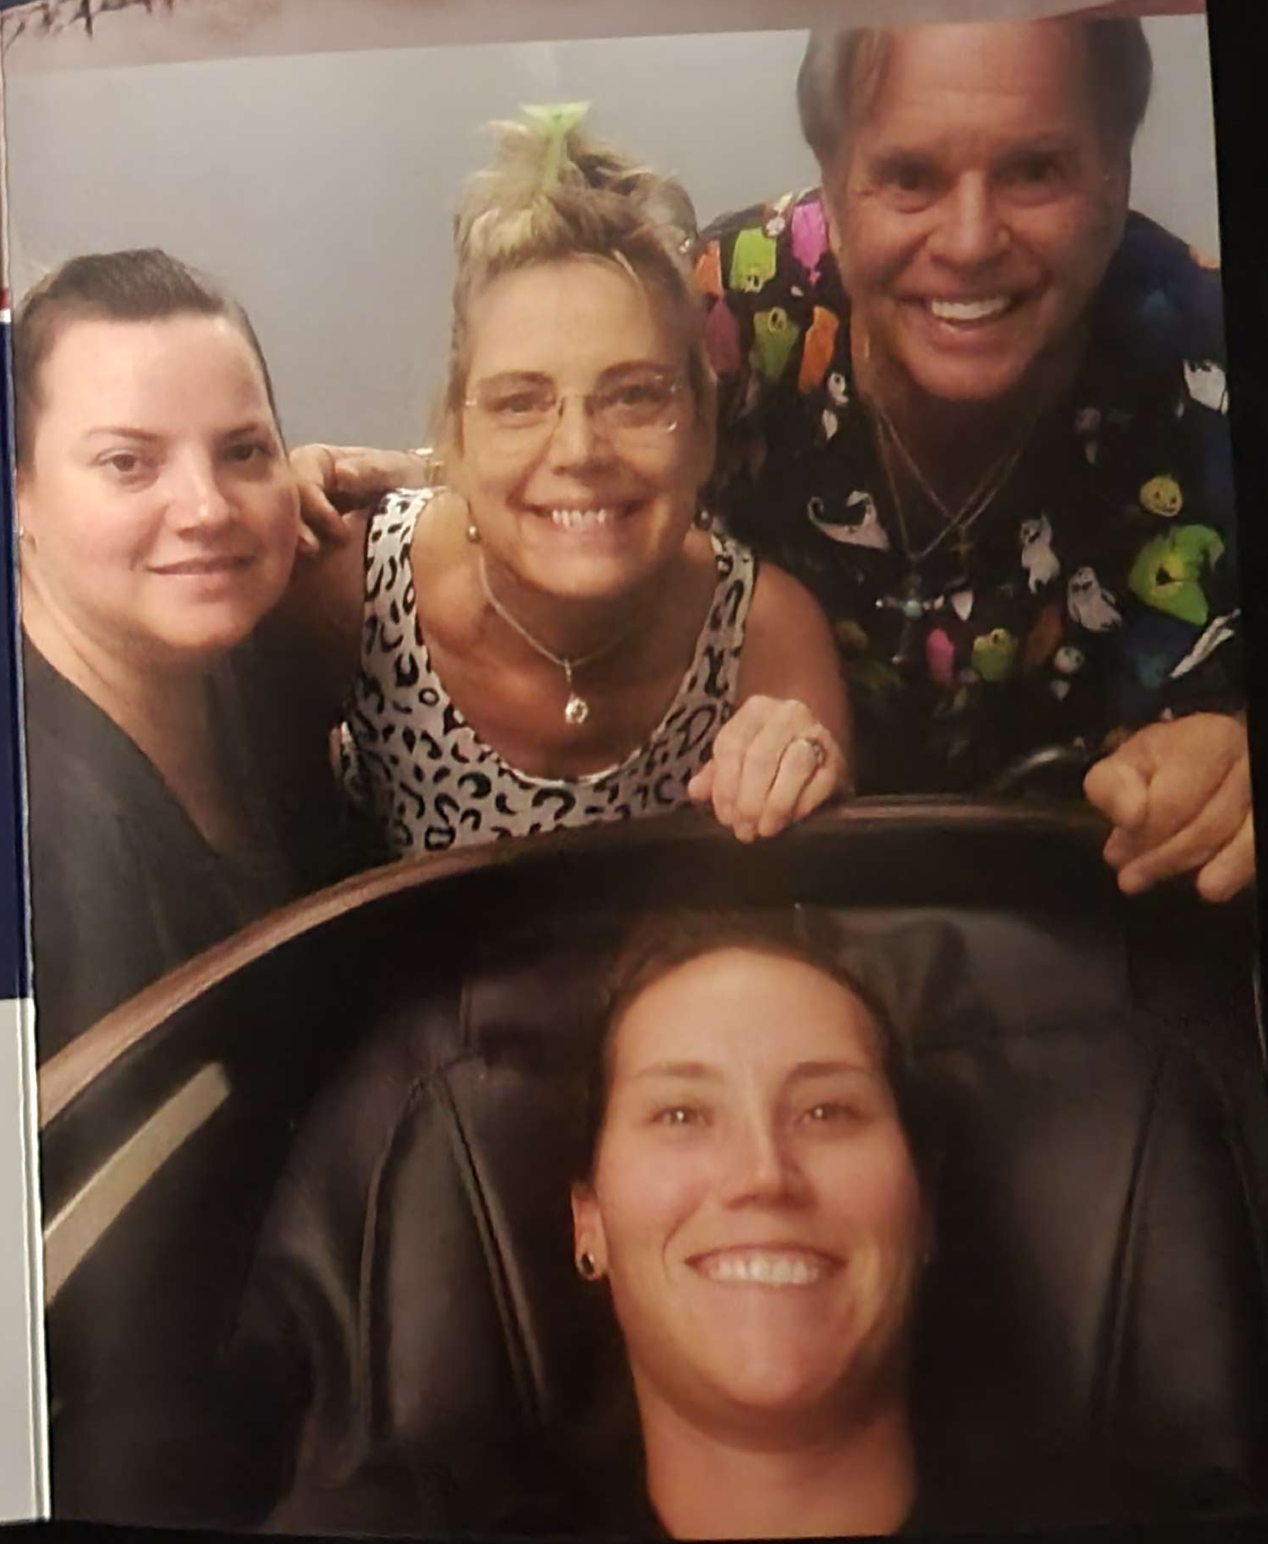
Dr Nicholas Waslyn D.C., P.A is passionate about chiropractic and helping people reach their full health potential. Dr. Nick has been in practice since 1988. He started American Chiropractic & Injury Center in Lakeland, FL in 2007. Dr Nick graduated with top honors from New York City Chiropractic College and received the "Chiropractic technique Award" and "Distinguished Service Citation:. He was chosen to administer the National Board of Chiropractic examiners test for 5 consecutive years. Dr Nick is licensed in both Florida and New York.

ACCIDENT FOCUSED CHIROPRACTIC PROVIDER

Dr Nick specializes in evaluating and treating injuries due to car accidents. Along with traditional Chiropractic, spinal manipulation & Physical therapy American Chiropractic uses:

- ★ Spinal Decompression
- ★ Traction
- ★ Cold Laser
- ★ Electrical muscle stimulation
- ★ Therapeutic stretching & strengthening Underlying muscle/skeletal imbalances are treated with Trigger Point Release & Myofascial Release

At American Chiropractic, we firmly believe in the power of natural healing through many therapies & soft tissue techniques to improve the patient's condition

Dr Nick understands being in an auto accident can be very stressful & confusing. At American Chiropractic we offer more than physical wellness. The friendly & experienced staff help patients navigate through the Personal Injury Protection process. Our office arranges for referrals to Orthopedic specialist, pain management, CT scans and MRI. American Chiropractic also provides the following services:


- ★ Personal patient facilitator
- ★ No Charge for final Narratives
- ★ Free transportation if needed
- ★ Open Saturday (by appointment)
- ★ Bilingual Staff
